RE: ASHI Accreditation No. 04-9-QU-04-1

Dear Dr. Richard:

I have received and reviewed all of the materials sent to me by Karl Schillinger, CHS, your ASHI Commissioner. I am in concurrence with the recommendations of your Commissioner that your laboratory has successfully demonstrated compliance with all mandatory ASHI Standards.

On the basis of the recommendations from your Commissioner, Hema Quebec, 04-9-QU-04-1, under the direction of Lucie Richard, PhD, F(ACHI) is granted accreditation for the following:

Areas of Accreditation:

HSC/BM Transplantation: Related Donor
HSC/BM Transplantation: Unrelated Donor
Histocompatibility Testing For Other Clinical Purposes

Categories & Systems:

HLA Typing Class I: Molecular
HLA Typing Class II: Molecular
Next Generation Sequencing (NGS)
Antibody Screening: Class I & II solid phase & Microarray
Antibody Identification: Class I & II solid phase & Microarray

Accreditation for the above areas of accreditation, categories, and systems will be valid until 8/31/2026, pending successful completion of an interim, self-inspection cycle next year.

You and your laboratory staff are to be commended for maintaining ASHI's high standards for laboratory performance and patient service.

Should you have any questions about the inspection or accreditation process, please contact the appropriate commissioner or the ASHI Accreditation Office at (651) 202-3637.

Sincerely,

A handwritten signature in cursive script that reads "Christina Bishop PhD".
